

# Wet Area N600

WET AREA N-600 is a high quality 100% neutral oxime curing silicone adhesive/sealant, containing antifungicide to prevent mould growth in hot and humid areas.

It is ideal for sealing in bathrooms, kitchens, hotel wash basins, and shower screens etc. It reacts with atmospheric moisture to produce a form in place silicone rubber seal.

Weathering and UV resistance is excellent.

Available in White, Tile Grey, Light Grey, Mid Grey and Pewter.  
20 Pack 300g
